

On the Independence Day holiday, Monday July 4, 2011, MTD buses will operate on Sunday schedules, and some services will be affected by the parade and fireworks events:

THE STATE STREET SHUTTLE will provide service every 10 minutes between the Dolphin Fountain and Sola Street until 9pm, but there will be a break in service from approximately 12pm - 3pm for the parade. When lower State Street is closed to traffic, the shuttles will turn around via Gutierrez, Chapala, & Haley Streets. They will not serve the Dolphin Fountain after that time.

WATERFRONT SHUTTLE service will be provided between the Harbor and the Zoo every 15 minutes from 10am to 6pm, or as long as Cabrillo Boulevard remains open to traffic.

After the fireworks, buses will depart MTD's downtown Transit Center (1020 Chapala Street) as follows:
